It's more than sticks and mortar, floor coverings and windows, but with our construction experience; the house we build becomes the home you call your own. As one of the Keweenaw County's most respected homebuilders, Arend Builders is dedicated to building exceptional homes that feature the latest in design, energy efficiency, expert craftsmanship and value.

At Arend Builders, we understand the importance of your home and the role it plays in your life. We know you want value without sacrificing quality. We know you want affordability while enjoying up-to-date materials and features. Quality components in our construction process: Engineered floor joists for uniform squeak-free floors, high quality vapor barrier house wrap, and blown in cellulose insulation that not only keeps you warm; but helps the environment by utilizing recycled materials.

Interiors boast wood cabinetry in a host of colors and styles, floor coverings options and paint colors, allowing you to make the house we build the place you call home. Open floor plans, energy efficiency, locations to suite your needs and lifestyle, are all elements of the home we will build for you.

Friendly, knowledgeable sales and construction staffs who demystify the process and make home building an exciting special event in your life. We're here to answer questions and help you make the choices that are right for your lifestyle.
